Small Business Development Center Small Business Management Program

Our Small Business Management program covers a variety of management topics through a **customized curriculum**, helping you identify challenges and desired outcomes, and devise a plan to address them.

The **one-on-one personalized advising** is designed to help you implement key concepts and provides you and your business with access to a professional business consultant. Business owners will benefit from classroom sessions by learning from and **networking** with seasoned entrepreneurs.

The monthly classroom workshops are instructor led and feature guest speakers from around the state. The one-on-one advising sessions with the instructor provide you with a personalized and confidential business consultant whose only goal is to work with you to **see your business succeed**.

Previous topics include:

- Basics of Financial Analysis
- Effective Management Strategies
- Sustainable Business Leadership
- Principles of Internet Marketing
- Managing Change
- Wills, Trusts, and Succession Planning
- Lean Training
- Social Media for Business
- Profit Mastery
