

Board Policy 3650

Naming of Facilities and Other Entities

D. Naming Approvals

1. Working and administrative names are approved by the College President.
2. Ideal-based, commemorative, and corporate names are approved by the Board of Education.
3. Conferring a name, changing a name, or removing a name requires a recursive process in which information is continually shared and discussed between the College President and members of the Board of Education prior to formal consideration by the Board of Education.
