

## Fall Enrollment 2021-22

Institution: Umpqua Community College (210270)

User ID: P2102701

### Overview

#### Fall Enrollment Overview

The Fall Enrollment component collects student enrollment counts by level of student, enrollment status, gender and race/ethnicity. In addition, first-time student retention rates and the student-to-faculty ratio are collected. Enrollment by age is required in odd-numbered years, and enrollment by residence of first-time undergraduates is required in even-numbered years.

Institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report Fall enrollment as of the institution's official fall reporting date or October 15. Institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters) report Fall enrollment as students enrolled any time during the period August 1 and October 31.

#### Data reporting reminders:

- Part B, Enrollment of students by age, is **required** this year.
- Part C, Residence of first-time degree/certificate-seeking undergraduates, is **optional** this year.
- For reporting students studying in consortium agreements, please refer to the Resource page at <https://nces.ed.gov/ipeds/report-your-data/data-tip-sheet-reporting-data-consortium-institutions>.

Part E - First-Time Student Cohort Retention Rates (Full-time)

**Retention Rates - Full-time, First-time Degree/Certificate-Seeking Cohort from Fall 2020**

The Fall 2020 cohort is preloaded based on data reported in the prior year Fall Enrollment survey component.

Academic reporters report retention data as of the institution's official fall reporting date or as of October 15. Program reporters determine the cohort with enrollment any time between August 1 and October 31, 2020 and retention based on August 1, 2021.

The retention rate is calculated by the system after clicking "Save" on the screen. Exclusions are subtracted from the original cohort and the resulting adjusted cohort is used for calculating the retention rate.

Retention Data Reporting Reminders:

- Include only **full-time, first-time degree/certificate-seeking** students in this cohort.
- Determine full-time using Fall 2020 attendance status (e.g., if a student was full-time in Fall 2020, report them in the full-time cohort regardless of Fall 2021 status).
- If there are no students to report in the cohort, enter zero. Do not leave the field blank.
- Report in the exclusions box (line E2a) the number of students from the cohort who left the institution for any of the following reasons: died or were totally and permanently disabled; to serve in the armed forces (including those called to active duty); to serve with a foreign aid service of the Federal Government (e.g., Peace Corps); or to serve on official church missions.
- Report in the inclusion box (line E2b) first-time bachelor's-seeking study abroad students who were excluded from the first-time cohort (line E1) but who have re-enrolled at the institution their second year.

## Summary

### Fall Enrollment Survey Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2021.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).

Fall Enrollment

Source	Description	Severity	Resolved	Options
<b>Screen: Part A - Fall Enrollment by Distance Education Status</b>				
Screen Entry	All undergraduate non-degree/non-certificate-seeking students exclusively enrolled in distance education courses are not expected to be reported under the same location category. Please correct your data or explain. (Error #6171)	Explanation	Yes	
Reason	I have confirmed that the addresses on file for these 5 students are all within the state of Oregon. (Part A - Distance Education Status 2 - Line 1)			
Related Screens	Distance Education Status 1, Distance Education Status 2			
<b>Screen: Part C - Residence of First-time Undergraduates</b>				
Screen Entry	Typically, more than 20% of first-time undergraduates enroll within 12 months of completing high school or receiving their GED. In Part C, your institution reported (33) of students having enrolled within 12-months of graduating high school or receiving their GED. This is less than the 20% of total first-time degree/certificate-seeking students expected. Please correct your data or explain. (Error #6203)	Explanation	Yes	
Reason	420 of these students (71%) did not provide a high school graduation date on their application and could not be evaluated for inclusion in the "enrolled within 12 months of completing high school" count reported to IPEDS. (Part C. < 20% in 12 months)
