

Bridging the Gap

Lean into Your Future

How to apply Lean Concepts into any Business or Organization.

Spend the day exploring LEAN principles and uses in the service industry, government sector, and manufacturing. The day concludes with a **Speed Consulting** opportunity to help you determine next steps.

Time is money.

FEATURED SPEAKERS

Mark Zerbach
Lean Consultant

Gordan Griffith
BBSI Safety/Lean Consultant

How LEAN can move your organization forward...
LEAN helps you:

- Identify the results that you expect
- Support employees in achieving goals
- Assign accountability measures
- Encourage continuous communication
- Learn from mistakes
- Make employees part of the bigger picture
- Support innovation, whether or not it works out
- Go all out; work really hard

8:30 a.m. - 2 p.m.

Friday, April 24, 2020
