Advisor's Report:

Music Subscription: We need to be looking at the streaming services available to us. We were provided three options: Cloud Cover, Pandora, and Soundtrack Your Brand. Each has its own positives and negatives. Need to get something that would work here, and could have positives campus-wide for events.

The Renaming of the Bistro: The conference space here. Think of a name! Jes noted "Riverhawk Roost." It might stick.

Vinyl Window Clings: Thinking of new window clings with fun phrases. Thinking of ideas. "Lead, Serve, and Learn" was one. Something to increase engagement with students.

Good of the Order:
