Title IV Decline

Student Name _____ Student ID _____

When awarded, Title IV student aid regulations allow UCC to credit the student's account to pay current tuition and fees. Other non-institutional charges must be authorized by the student.

NOTE: *You may rescind or grant these authorizations at any time. Changes must be submitted in writing. Authorization or changes become effective on the date the written notification is received and cannot be applied retroactively.*

I do not authorize Umpqua Community College to apply Title IV funds to pay prior/current term non-institutional charges as designated below:

⇒ **Book and Supplies** – (If you do not authorize this, you will not be able to charge your books and supplies at the bookstore)

⇒ **Fines** – (Library, Parking, Interest, Other, etc.)

If you agree to decline Title IV funds to pay for the above charges, read the statement below and mark the box.

I understand by declining authorization I will have to pay these types of charges using non-Title IV funds. Any holds due to unpaid balances will have to be cleared with the Finance Office prior to continuation of enrollment each term.

By signing below, I certify that the above information is true and correct. I also understand that if I give false or misleading information, I may be fined up to \$20,000, sent to prison, or both.
