## 2021 - 2022 Financial Aid Application and Process Information

Welcome to the financial aid application process for 2021-2022. Start with a [FAFSA on the Web Worksheet](#). Use it to gather information to complete an online application for federal and state grants and other types of aid. Submit just one FAFSA for each academic year, but at least three months prior to enrollment for priority processing. Otherwise, you may need to delay enrollment until you can make payment. For your application to be considered, federal processing must be complete as of your last day of eligible enrollment during the school year. For more consumer information, visit [UCC's Consumer Information webpage](#).

### Federal Aid Eligibility Requirements

- Be a U.S. citizen or eligible noncitizen.\*
- Have a valid Social Security number.
- Have a high school diploma (not extended) or recognized equivalent (GED, home school completion with an ESD registration if under 18, two-year degree fully transferable to a four-year degree, etc) or have college transcripts prior to 7/1/12 and either meet minimum placement test scores or have 6+ program credits before 7/1/12.
- Enroll in an aid-eligible certificate or degree program and maintain satisfactory academic progress (SAP)\*\* toward the completion of our academic program.
- Not be in default on or owe a repayment of federal aid.

\* See [studentaid.gov/understand-aid/eligibility](#) for more information. Those ineligible should investigate scholarship and/or alternative loan resources.

### A Few Tips Before You Begin

- The 2021-2022 FAFSA requires 2019 federal income and tax information. (IRS Data Retrieval Tool is recommended whenever available).
- To electronically sign your FAFSA on the Web, you (and a parent if parental information is required) need a FSA ID, available during the application process at [fafsa.gov](#). For help with your FSA ID, visit [fsaid.ed.gov/npas/index.htm](#).
- After you submit your FAFSA, federal processors will calculate your expected family contribution (EFC), the main factor in determining need-based aid eligibility.
- Submitting a FAFSA is often the first step in applying for other types of financial assistance that are not limited to applicants with high financial need. These may include some scholarships, student employment, or student loans.
- If you do not plan to begin a college program in the 2021-2022 school year but would like to estimate your future aid eligibility, use the Federal Student Aid Estimator. Click to view [studentaid.gov/aid-estimator/](#).
- To estimate out-of-pocket expenses to attend UCC, use the Net Price Calculator at [umpqua.edu/netprice/](#).

## The Financial Aid Process

1. Submit a 2021-2022 FAFSA to the federal processor as soon on/after 10/1/2020 as possible for evaluation. Allow three days to three weeks for federal processing. An IRS Data Retrieval Tool is available to most federal tax filers. If you have transfer credits or have already earned an associate's degree or higher, submit official transfer transcripts and request a Transfer Credit Evaluation by the UCC Registrar. Undocumented Oregon residents should submit an ORSAA for state aid.\*
2. Federal processors determine if your FAFSA is complete, match data with federal agencies (Social Security Administration, Selective Service, Internal Revenue Service, Veterans Administration and Department of Homeland Security), calculate your Expected Family Contribution (EFC) and email a Student Aid Report (SAR) to you and to the financial aid offices of the college(s) listed on the FAFSA. Review your emailed SAR and if corrections are necessary, submit them at [fafsa.gov](https://fafsa.gov).
3. The UCC Financial Aid Office sends a Welcome Email to your personal email address. This letter will inform you that there are additional requirements needed in order for your financial aid to be processed. Keep contact information current, watch for mail and/or email correspondences from UCC and respond promptly to avoid processing delays.
4. Submit all requested documentation to UCC. Some FAFSAs are chosen for verification. Avoid the likelihood of being verified by using the IRS Data Retrieval Tool. If you're chosen, submit all required documentation as soon as possible but no later than 120 days from your last day of enrollment or September 15<sup>th</sup> of the following school year, whichever comes first. Failure to provide all requested documentation in a timely manner means our application will not be processed.
5. Once your application is complete, the UCC Financial Aid Office performs an initial review. A review includes building a student budget (Cost of Attendance), confirming eligibility factors and resolving any missing or conflicting data. Allow up to six weeks or more for file processing.
6. If necessary, the UCC Financial Aid Office will send you an email requesting additional documentation or written clarification. You will also see the needed documents listed in Student Self Service under Eligibility.
7. Once your application is complete and accurate, the UCC Financial Aid Office will send an Award Notification to your **student email** with instructions on how to complete the acceptance process of your financial aid award. The Award Notification will list the types of aid awarded per term based on full-time enrollment status (12+ credits), as well as conditions for receiving federal aid. The Award Notification will also provide direction on completing the student loan process.
8. If you were awarded Federal Work-Study (FWS), instructions will be included in your Award Notification regarding your next steps. If you were not awarded FWS and wish to obtain employment while attending school, you may be eligible for Student Job Placement. Information regarding Student Job Placement can be found on our website.
9. Approximately one week before each term, financial aid funds are applied to your UCC student account. Once aid-eligible enrollment matches award level, applied aid is used toward pending charges (tuition, fees, and authorized bookstore charges). Book Allowance Request forms are accepted through the 1<sup>st</sup> week of the term so long as you have not already been awarded financial aid funds. NOTE: The first disbursement of a Federal Direct Loan for a first-time borrower will be made no sooner than 30 days into the first term of the loan period and released only after eligible enrollment is confirmed.
10. You have through the end of business on Friday; Thursday in Summer (in person) or until Sunday 11:59pm (online) of the first week of the term to be sure your enrollment is correct. The census date will be Monday at 8:30am of the second week. The credits that a student is registered for at this time, is locked and that is the enrollment status that will determine the financial aid disbursement. If you are enrolled at another college during the same term you're enrolled at UCC (dual enrollment), you may apply through the drop period to have your financial aid eligibility calculated on the combined enrollment. If you are dually enrolled at Southern Oregon University or Oregon State University, notify the UCC Financial Aid Office immediately. If you are dually enrolled at a college or university other than SOU or OSU, submit a Consortium Agreement. Charges at your host school remain your responsibility. You may not accept federal aid (*grants & student loans*) from more than one institution during a term.
11. If you have excess financial aid funds after your UCC bill is paid, the UCC Student Accounts Office will issue a refund in one of two ways. First, in the form of a paper check that will be mailed via USPS or second by Direct Deposit if you filled out the form and submitted it to the Student Accounts Office. Refunds will be issued starting the second Friday of the term (F, W, S terms), Thursday (Summer Term) and weekly thereafter, through finals week. For more information on Direct Deposit visit [umpqua.edu/accounting-finance/student-accounts](https://umpqua.edu/accounting-finance/student-accounts).
12. At the end of each term, the UCC Financial Aid Office will review your transcripts to determine if you made satisfactory academic progress toward program completion, a requirement to maintain financial aid eligibility. We will then adjust, or cancel aid accordingly. The review of your progress includes cumulative grade point average (GPA) and pace. To view the Satisfactory Academic Progress policy, [click to view \[umpqua.edu/images/cost-aid/downloads/2021-2022/SAP\\\_Policy\\\_2122 - Covid.pdf\]\(https://umpqua.edu/images/cost-aid/downloads/2021-2022/SAP\_Policy\_2122\_-\_Covid.pdf\)](https://umpqua.edu/images/cost-aid/downloads/2021-2022/SAP_Policy_2122_-_Covid.pdf).

### Cost of Attendance

The Cost of Attendance (COA) is an estimate made by the Financial Aid Office of how much it will cost you to live and attend college while enrolled at UCC.

**Based on three 13-credit terms, the standard 2021-2022 COA for single student residing with parent is:**

| Transportation      | \$1,500         |
| Misc./Personal Exp. | <u>\$1,350</u>  |
| <b>TOTAL</b>        | <b>\$12,528</b> |

**Based on three 13-credit terms, the standard 2021-2022 COA for single student residing off campus is:**

|                     |                 |
|---------------------|-----------------|
| Tuition and Fees    | \$5,283         |
| Room & Board        | \$11,730        |
| Book & Supplies     | \$1,500         |
| Transportation      | \$1,500         |
| Misc./Personal Exp. | <u>\$1,350</u>  |
| <b>TOTAL</b>        | <b>\$21,363</b> |

COAs are based on individual enrollment patterns and may include out-of-pocket childcare expenses, disability-related expenses, or significant and documentable program fees as requested and approved.
