SUMMER FUN!

Transforming Lives
This summer, as we start to enjoy long-awaited sunshine, we are excited to see so many more smiles on campus. We are open to learning and offering a variety of camps, enrichment, and the pool will be open starting in June!

The pandemic has changed us all in many ways, and it has also reminded us that we fundamentally do human work — we have the most amazing faculty and staff, and we’re open to serving you.

So browse our offerings and remember that UCC is YOUR college and is here to transform your life; in small ways with community education offerings, and in big ways by inspiring you to a new career path — choose your own adventure and stop in and see us because we are committed to serving you.

Sincerely,

Rachel Pokrandt, President
Umpqua Community College

Justina Martin had dropped out of high school. She dreamed of being a teacher someday, and she knew she had to get back to school but wasn’t sure when or how. One day she drove by the Woolley Center in Roseburg and saw a sign, “Earn your GED and get a free term of college at UCC!” She knew it was time to step back in and finish high school. Martin is now a teacher at the Woolley Center, helping other students step back in and earn their GEDs. She is also working on completing her Ph.D. in English, studying communication and online learning. She recently spoke with the Woolley Center Director about her education and experience.

My experience with the GED program was really great. The staff was super informative during orientation about the whole process. I was able to take classes in Tri-City, which was only about five minutes away from me. It’s been a long time since I took the classes, so I don’t remember my teacher’s name, but she was really enthusiastic about teaching, which made the experience more enjoyable. The staff scheduled all my tests for me and helped me to get in contact with registration and financial aid at UCC, so that the transition was seamless. The biggest highlight was having a graduation ceremony and being recognized for receiving honors-level scores on my tests. When I dropped out of high school, I didn’t think I would ever get the chance to walk across the stage or have the experience of graduating.

The biggest piece of advice I can give to someone thinking about getting their GED is to just do it. It is never too late to get an education. The second piece of advice I can give is to own your education. Instructors and staff can only guide you so far, but you must really want it and put in the work. You’ll be surprised at how much you can actually accomplish when you take control and make getting your GED a priority.

I am getting ready to write my dissertation (a requirement for earning a Ph.D.). My plans are to continue teaching adult basic education at UCC. I am able to use my experience being a GED student and my education to help others achieve their academic and career goals. My unconventional education journey has continued to drive me to keep doing this job and working with adult learners. My hope for the future of the Woolley Center is that we can make education available and accessible to every community member who needs it in Douglas County.

Swimming Lessons

PARENT & CHILD AQUATICS – COMBINED LEVELS 1 & 2 (6 months-3 years*)
30-minute sessions. This is a combination of American Red Cross Parent & Child Levels 1 and 2, and introduces parents and children to basic aquatics skills. Parents are taught to safely work with their child in the water, including how to support and hold them and to encourage participation and trying new skills. Children receive a foundation for learning to swim.
Parents are actively in the water with the children. *All children wearing diapers must wear swim diapers.

PRESCHOOL AQUATICS (ages 4-6)
30-minute sessions. The American Red Cross preschool program is for beginning swimmers (ages 4 and 5) with little or no prior swim instruction. The goal is to help children feel comfortable in the water without a parent. Children learn basic aquatic skills, such as entering and exiting the water, blowing bubbles through their mouth and nose, going underwater, bobbing, gliding, and staying safe. Skills presented in Preschool Levels 1 and 2 are done with instructor assistance, and set the foundation for Level 3 instruction.

LEARN-TO-SWIM (ages 6 and up)
Level 1 - Introduction to Water Skills
30-minute sessions. Level 1 is for beginning swimmers who have had very little or no swim instruction. The focus is on developing elementary aquatics skills, positive attitudes, good swimming habits, and safe practices in and around the water. Level 1 skills include: safely entering/exiting the water, blowing bubbles, bobbing, opening eyes underwater to retrieve submerged objects, front and back floating and gliding, alternating arm and leg action, combining stroke movements, and treading water. Most skills are performed with support.

Level 2 - Fundamental Aquatic Skills
30-minute sessions. The goal of Level 2 is to help swimmers gain familiarity with fundamental skills and achieve success without support. Swimmers learn to float and glide on their front and back, develop simultaneous and alternating arm and leg actions, and lay a foundation for future strokes, all without support from the instructor. Students work on floating, gliding, flutter kicking, front and back crawling, turning over from front to back and back to front, retrieving objects, and jumping into water over their head.

Level 3 - Stroke Development
30-minute sessions. Level 3 builds on the skills in Level 2 through additional guided practice. Students should be very comfortable in the water and be able to swim with combined strokes on front and back without assistance. Level 3 focuses on making swimmers comfortable and safe in deep water, teaches front crawl, elementary backstroke, breath control, and submerging, builds on the fundamentals of treading water, introduces scissor and dolphin kicks, and reviews the rules for headfirst entries (seated entry dives).

Level 4 - Stroke Improvement
30-minute sessions. The goal of Level 4 is to develop confidence in the strokes and improve overall aquatic skills. Students improve skills and endurance for freestyle and backstroke, are introduced to breaststroke, sidestroke, and the basics of turns, and continue work on headfirst entries. Students must be comfortable in deep water.

Level 5 – Stroke Refinement (1 Hour)
30-minute sessions. The goal of Level 5 is to coordinate and refine strokes in swimmers who are competent in all strokes and basic diving techniques. Level 5 swimmers focus on refining their techniques, incorporating flip turns, and increasing their swimming distance. Students should be able to do one length of front and back crawling, know the elementary back, and tread water for one minute.

Level 6 – Swimming & Skill Proficiency
1-hour session. The goal of Level 6 is to refine strokes to allow students to swim with more ease, efficiency, power, and smoothness at greater distances and to increase endurance and aquatic fitness. Level 6 has three options – Fitness Swimmer, Fundamentals of Diving, and Personal Water Safety.

PRIVATE SWIMMING LESSONS
Individual instruction is available at all levels in 30-minute sessions. Private lessons allow swimmers to benefit from a one-on-one environment, work on a specific set of skills, or address special needs or concerns that may limit the swimmer’s ability to participate in a group setting. Semi-private lessons are available for up to three children, upon request and for a small additional fee.

POOL RENTAL
UCC’s pool is available for rental to churches, clubs, civic groups, and private parties. It may be rented on Fridays and Saturdays, 9 am - 12:30 pm, or Sundays, 9 am - 9 pm. For information on rates, rental information, or reservations, call 541-440-4705.

Class Cancellations: Classes may be cancelled prior to second day of the session. Classes may be combined to reach enrollment requirements.

Switching Classes & Sessions: Changes to a student’s enrollment must be done no later than the Thursday before the session begins. Contact Community and Workforce Training at 541-440-4668 or speak with the pool director to change classes.

Missed Classes: A student who misses class(es) will not be able to make it up; this may impede the student’s ability to pass the level in which they are enrolled. If a class is unable to meet in the pool (due to an electrical storm or a pool contamination, for example) in-classroom instruction on water safety will be substituted.

Refunds: No refunds will be issued after the second day of instruction.

### INFORMATION AND POLICIES

**Instructors:** The majority of UCC instructors are local high school and college students who are American Red Cross certified instructors, have experience teaching swim lessons, or are accomplished swimmers themselves. Instructors follow the American Red Cross guidelines and are certified in First Aid, CPR and AED. Every attempt is made to ensure students learn from the same instructor(s) during the course of a swim session. However, when an instructor is ill, it may be necessary to use a substitute. Concerns regarding pool instruction should be directed to the head lifeguards and/or pool director.

**Attire:** Swimsuits are required. All students not toilet trained must wear a swim diaper. Students dressed and ready to swim before the designated class time.

**First Class:** Parents/guardians and students will meet in the pool before the first five minutes with the instructor(s). Students will be assessed to ensure they are in the appropriate level. If a student’s skill level is not appropriate for the level in which he/she is enrolled, the student will be moved appropriately.

**Last Class:** The last day of class is “graduation”, when students will receive their certificates and participate in recreational swimming.

**Class Completion & Level Progression:** Without practice, swimming skills may diminish. If several months have elapsed between swim lessons, it may be necessary to place a student in a class that he/she previously passed due to the skill level at the time of enrollment. Students should be able to perform previous level skills before moving on to the next level. Completion or participation certificates are handed out the last day of class. In addition, a copy of a blank class progression certificate listing the level skills is available from the pool director. Keep all certificates for an accurate record of student(s) progress.

**Reminders for Parents/Guardians:** Parents/guardians are asked to drop off and pick up their student(s) on time. Parents/guardians are asked to observe classes from the bleachers and to remain off the pool deck. If a parent/guardian creates a distraction to the class, the pool director reserves the right to request that the parent/guardian relocate. Unless otherwise deemed necessary (see above), parents/guardians are asked to remain in the pool area throughout the entire lesson in case of an emergency (or if the swim class student needs to use the restroom during class). Parents/guardians are asked to have their swim class student(s) use the bathroom before each class. If a student needs to use the bathroom while the class is in progress, the instructor will signal the parent/guardian to get the student. Swim instructors cannot leave a class unattended to take students to the bathroom. Students will not be allowed to go into the locker room alone. Do not leave valuables in unlocked lockers in the locker rooms. The security of items in unsecured lockers cannot be guaranteed.

GENERAL INFORMATION

Missed High School?
Get your GED here.
Classes cost $18 per term, plus a $2 technology fee per term

Umpqua Community College will offer a variety of teaching methods this coming Summer. For a description of each of the four methods, please see page 28 in this publication.

GED, Pre-GED, English Language Acquisition and Skill Review
Umpqua Community College is dedicated to assisting adults who want and need to develop strong basic academic skills in reading, grammar, writing, spelling and mathematics.

ADULT BASIC SKILLS (ABS) PROGRAMS INCLUDE:
• Adult Basic Education (ABE) and Pre-GED
• GED, College, and Career Preparation
• Skill Review
• English Language Acquisition (ELA)

SKILL REVIEW
• Skill Review is for students who have finished high school or completed their GED, but still need further instruction to improve their skills for college or work.

ADULT HIGH SCHOOL DIPLOMA
• These classes are for students over 18 years of age, or released from high school, and needing 3 or fewer credits to complete their diploma.
• Cost is $25 per .5 credit, plus $2 technology fee.

ELA ENGLISH LANGUAGE ACQUISITION (Learn English!)
ELA offers beginning and intermediate level English classes for adults. Classes are offered in the evenings and are available to join in-person or remotely via a computer. Students will receive instruction in speaking, reading, writing, listening, and basic computer skills in a fun, safe atmosphere.
• Classes focus primarily on language skills for the workplace. Students who have intermediate to advanced ELA skills may also be eligible to sign up for ABE, pre-GED, and GED classes.
• ELA class cost is $18, plus a $2 technology fee.

¿Qué es ELA?
Las clases de ELA enseña a leer, escribir y hablar inglés. Los estudiantes también aprenderán acerca de la cultura Americana, el trabajo y la vida.
¿Cuánto cuesta? El costo de una clase de ELA es $20 por un término de 10 semanas.

ABS grad, Empress Lee, is currently enrolled at UCC.

ADULT BASIC SKILLS PROGRAM
My experience at the Woolley Center Adult Basic Skills program has been so amazing. The staff is always there to help me get the most out of the program. They also helped me break down any barriers that got in the way of my success. Not only are the staff awesome but also the course instructors are patient and go out of their way to help so you feel confident.

Order online at umpqua.edu/thehawkshop.
The UCC campus store is a resource for textbooks and course materials, school supplies, clothing, gifts, food items, beverages, laptops and a variety of other items at affordable prices. We are located adjacent to the LaVerne Murphy Student Center. Store hours are Mon-Fri, 8 am to 3:30 pm for Fall, Winter and Spring terms.

Students can begin purchasing textbooks and supplies for Summer term beginning Monday, May 24, by visiting bookstore@umpqua.edu and clicking on the Shop and Compare Textbooks link to place their order. Orders can be picked up in the store or shipped. Debit or credit cards are accepted.

Textbook buybacks are scheduled during finals week for Fall, Winter and Spring Terms and late August.

Follow the UCC Hawk Shop’s Facebook page to be notified of important announcements and updates: facebook.com/umpquacchawkshop.

UCC CLASS DELIVERY
Below are the four primary course delivery methods this term:

😊😊 F2F (Face to Face)
In-person class at a physical location. Good for hands-on learning.

Remote
Live instructor-led class delivered online at a specified day and time.

Online

😊😊 Blended
In-person class on campus with online options when a student is unable to attend.

Remote & Online Learning:
What you need to know
Remote and Online instruction works best if you have access to this recommended equipment:

- A computer or laptop with current updated operating system. Mobile devices can be used to access some portion of classes but you may have difficulty fully participating using a phone
- A high-speed internet connection
- An up-to-date internet browser such as Chrome or Firefox
  * Internet Explorer or Safari may not be supported on all learning platforms
- Integrated or USB-connected webcam, speakers and microphone
- A Zoom link will be sent to you if needed
