ONLINE MARKETING FOR THE SMALL BUSINESS

This 9-week course (including three one-on-one advising sessions) is for those business owners who are ready to enter the competitive world of online marketing. Focusing on demographic targeting and remarketing, we will delve into the logic behind online marketing, and how to efficiently yield a better return on investment for your marketing dollars. This course requires the business to have a website, as well as a webmaster, or an ability to add code to the website. Instructor Justin Deedon. \$199
